₹0 / Month
ZERO SOFTWARE FEES
Saves ₹3,00,000–₹5,00,000+ every single year compared to commercial gym software subscriptions.

100% Locked
NO REVENUE LEAKS
Strict digital quota tracking for Sauna, Cold Plunge Ice Baths, Café credits, and Snooker lounge.

Dual-Track
RETENTION ENGINE
Serves both 1-on-1 PT clients and regular self-guided floor members so no one drops out from feeling lost.

Instant PWA
NO APP FRICTION
Members and staff simply scan a reception QR code. No 100MB download or App Store login required.

1. Executive Overview & The FIT24 Solution STRATEGIC VALUE

Most commercial gyms struggle with fragmented tools: a desk entry system that doesn't track sauna or ice bath sessions, trainers managing clients through unstandardized WhatsApp chats, and over **60% of uncoached members dropping out within 60 days** because they lack daily workout guidance.

The FIT24 Advantage: A single, unified platform tailor-made for FIT24 that connects front desk reception, personal trainers, and gym members into one high-performance digital ecosystem—at zero ongoing vendor subscription cost.

2. Complete Feature Catalog PLATFORM CAPABILITIES

🏛️ Front Desk & Club ERP — RECEPTION

- **3-Second Check-In:** Rapid search by name, member code (e.g. `F24-1001`), or phone with real-time floor headcount.
- **Automated Expiry Radar:** Flags members expiring within 7–14 days for proactive renewal management.
- **Strict Quota Passbooks:** Real-time tracking of remaining Sauna, Cold Plunge Ice Bath, and Snooker credits per tier (Elite, Prime, Pro).
- **Brochure-Compliant Pause Rules:** Automatically validates policies (valid on plans ≥ 3 months, min 7 days, max 2 blocks) and extends end dates.

📱 Dual-Track Member Portal — MOBILE ACTION CENTER

- **Track A (1-on-1 PT Clients):** Dedicated coach profile, coach-prescribed custom splits, remaining session passbook, direct WhatsApp form checks.
- **Track B (Self-Guided Members):** 5 standard workout splits (PPL, Upper/Lower, Full Body, Fat Shred, Ladies Sculpt) with 1-click routine switcher.
- **Smart Macro & Calorie Calculator:** Instant customized targets for Fat Loss (-20%), Maintenance, or Lean Muscle Gain (+15%).

- **18% GST Compliant Invoicing:** Automated CGST (9%) + SGST (9%) invoice generator with daily payment mode splits (UPI, Cash, POS).

- **Gym Floor Support:** Replaces personal coach card with Duty Coach desk assistance & transparent 1-tap PT upgrade passbook.
- **Algorithmic Sunday Audits:** Independent members receive instant system feedback and +2.5kg progressive overload cues.

🏋️ Trainer Command Hub

`COACHING OPERATIONS`

- **Athlete Compliance Radar:** Monitors member workout consistency and check-in adherence (0–100%).
- **Day-by-Day Split Programmer:** Coaches edit exercises, rep tempos, load targets, and biomechanical cues for upcoming days.
- **Volume Tracking:** Automatically logs total volume (kg lifted) once members check off exercises.
- **PAR-Q Medical Screening:** Flags cardiovascular or joint health restrictions (⚠️ `Restricted / Review Needed`) before training.
- **Sunday Check-In Queue:** Direct coach review queue for weekly reflections and form adjustments.

🌟 Daily Habits & Brand Showcase

`MEMBER EXPERIENCE`

- **Progressive Overload Set Logger:** Pre-fills previous weights and cues progressive compound increments.
- **Synthesized Audio Rest Timer:** Built-in countdown timer with dual-tone chime (100% offline, zero MP3 downloads).
- **4-Pillar Habit Tracker:** 1-tap logging for 10k steps, 3.5L water, 8h sleep, and protein targets.
- **7-Day Fuel vs. Burn Charts:** Visual comparison of daily calories consumed vs calories burnt.
- **Premium High-Performance Aesthetic:** Bold, electric red and dark luxury athletic branding positioning FIT24 as Thalassery's premier destination.

3. Tangible Business Benefits & Financial ROI `FINANCIAL IMPACT`

BUSINESS OBJECTIVE	CONVENTIONAL GYM REALITY	FIT24 PLATFORM IMPACT
Software Overhead	₹25,000–₹45,000/month in SaaS subscriptions (Mindbody + Trainerize).	**₹0/month recurring cost.** FIT24 owns the software completely.
Quota Revenue Leaks	Members take extra sauna/ice bath sessions; café tabs go unrecorded.	**100% Digital Passbook.** Quotas strictly enforced by membership tier.
Member Drop-Off Rate	Over 60% of unguided members quit within 60 days due to lack of direction.	**Self-Guided Daily Splits & Habits.** Every member has daily clarity from Day 1.
PT Package Upsells	Aggressive, awkward cold pitching on the gym floor by trainers.	**Organic In-App Funnel.** Members see duty coach spots and tap "+6 / +12 PT" to upgrade.
Unpaid Access Leaks	Expired members slip past front desk during peak morning/evening rush.	**14-Day Expiry Radar.** Proactive renewals prevent unpaid floor access.

4. Competitive Advantage: FIT24 Platform vs. Off-the-Shelf Apps

HEAD-TO-HEAD

EVALUATION CRITERIA	COMMERCIAL OFF-THE-SHELF SOFTWARE	FIT24 CUSTOM PLATFORM
Annual Recurring Cost	₹3,00,000 – ₹5,00,000+ every year	**₹0 / Year** (Zero subscription tax)
Brochure Policy Fit	Generic rules; cannot automate custom pause & quota rules	**100% Custom Tailored** to FIT24's brochure policies
Member App Friction	Requires downloading a 100MB app from App Store / Play Store	**Instant Web App:** Opens in 2 seconds via QR code
Device Compatibility	Limited device support; frequent app store updates	**Universal:** Runs on any PC, iPad, iPhone, or Android
Data Ownership	Customer database locked inside third-party vendor servers	**FIT24 Owns 100% of Data** in private cloud storage
Dual-Track Support	Focuses either solely on PT or solely on front desk check-in	**Integrated:** Dedicated PT + Self-Guided in one place

5. Implementation & Rollout Roadmap

EXECUTION PLAN

PHASE 1: OCT 13 – OCT 16

Reception Setup & Staff Drill

- Bookmark the Front Desk Portal on reception screens.
- Print 2 counter standees with QR codes for member onboarding.
- Train desk staff on 3-second check-ins and quota deductions.

PHASE 2: OCT 18, 2026

Grand Opening Day Go-Live

- Register new members upon enrollment.
- Send member access code via WhatsApp in 1 click.
- Members scan QR code and immediately access today's workout split.

PHASE 3: WEEK 2 ONWARDS

Coaching & Habit Scaling

- Floor coaches guide members through routine switches.
- Roll out automated Sunday weekly reflections.
- Activate in-app PT upgrade passbook for self-guided athletes.

Summary Conclusion: The FIT24 Enterprise Platform gives the club an elite, proprietary technological edge from Day 1. It automates reception tasks, eliminates recurring software bills, and ensures every member—whether coached 1-on-1 or training independently—achieves measurable fitness progress.
